

"After two failed attempts by other applicators, we didn't know who we could trust to get the job done. Luckily we found Waterproofing Melbourne. Ron did such a thorough and professional job, and we don't have to worry about leaks ever again!"

Gary O'Brien
Arrow International, Airlie Beach

Chelsea Flower Show London

London

The team at Waterproofing Melbourne would like to introduce themselves to you, in the event you may have a waterproofing problem they can address.

As you will see, regardless of the location, height, depth or environment, deserts to snowfields, Waterproofing Melbourne can spray, roll, stick, inject any membrane to solve the problem. We are OHS qualified, MBA certified Level III, Confined Space, Working at Heights and Dogman qualified and fully insured.

Sorrento
